***LG Newsletter
First Quarter 2011***

I have heard this so many times but how true « time flies when you are having fun ».as per the LG.

Our Caucus in January proved to be a big success and now we look forward to the Governor's visit where he will be joining us on March 12th for our next Caucus.

The LG had a busy month in February visiting Pembroke, and giving Manotick the first quarter ribbon,, inducting new members at the Ottawa West club and attending Nepean's club meeting. She also attended the Kiwanis Music Festival Board meeting.

In March she visisted the Kiwanis club of Perth also inducted a new member of the Sage club and just this past week Governor Paul toussaint arrived on Thursday amidst rain and snow. He had a whirlwind tour of visiting the House of Commons during question period, LG Bill Gosewitz showed Governor Paul Kiwianis Court and then LG Germaine and Robert took him out to dinner Thursday evening.. On the Friday the Governor attended the Kiwanis club of Ottawa luncheon and he was whisked to the Pediatric Centre in Gatineau. A dinner was held in his honour Friday night with Governor-elect Janet Atkinson, candidate for Governor-elect Peter Tudisco and Div. 12 and 13 LG's and their spouses.

Saturday the LG picked up Governor Paul as it was our Caucus meeting, and we had over thirty in attendance. I believe it was educational, fun, thought provoking and I am sure everyone came away having learned something about Kiwanis.

The LG then brought Gov. Paul to Parkdale United Church for an Ottawa West hands-on project where meals are served to those less fortunate and the Governor certainly had his exercise serving over 200 people. He seemed pleased by the experience.

Governor Paul was then escorted by the LG and her partner Robert to the Centurion Centre where a banquet hosted by the Kiwanis club of Manotick. It was a fantastic event.

Thanks to the organizers of the Manotick club, everything was first class, the food, the decorations, and the entertainment, even His Worship the Mayor Jim Watson enjoyed himself particularly with the Holy Trinity Blues Jazz Band provided by the Kiwanis Music Festival. A big thank you to Gary Morton, Executive Director of the Kiwanis Music Festival.

To top the evening \$1,060.00 was given to HIV/Aids and \$876.00 to the Kiwanis Music Festival. A good night was had by all.

The Governor has now left the region and it is time for LG Germaine to get back to work on the election of a Regional Trustee. This has been a long and arduous task but it is now complete and she thanks PLG Paul Bowers, Returning Officer and Sharron Scullion as the third party. We had two competent candidates and I am sure the delegates had difficulty in selecting the first Trustee for Region C. Congratulations goes to PLG Shirley Bradley. We are sure she will be up to the task of working for the greater good of Kiwanis.
