Special Induction and Orientation Meeting

Inductor and Orientation Leader: Germaine Barr, Lieutenant Governor, Division 13

Last Meeting

At our last meeting held on February 2nd we welcomed Marg Demers, member of the Manotick Kiwanis Club and Board member of the Kiwanis Music Festival. Marg was on hand to talk to us about the Music Festival. A number of questions had been raised earlier about the workings of this event and Marg, whose goal is to update all the clubs in our division on their involvement, was on hand to educate us and answer our questions.

Marg's presentation gave us the opportunity to not only understand the Festival and its place within the Kiwanis Organization, but she was able to answer many of the questions raised by members at her presentation. There were a few queries that Marg needed to take away for clarification from other members of the Kiwanis Music Festival's Board. She promised to get back to us with responses to those questions.

This week

This week is going to be special. Lieutenant Governor Germaine Barr will be on hand to induct new members Sarah Zraggen, Sandra Brady, Camille Beaufort and Colleen Newburg into our club.

As well Germaine will be holding an orientation session for the new members. This is also a good refresher for all our members. We are very fortunate to have a Kiwanian with such a varied background in Kiwanis to lead this orientation session. Not to be missed

Parting Ponderings

The moment one definitely commits oneself then Providence moves too. All sorts of things occur to help that would never otherwise have occurred. A stream of events issues from the decision, raising unforeseen incidents and meetings and material assistance, which no person could have dreamt would have come his way.
