Special Event: Induction of new members Glennys Ojaste and Elaine Cooke

Last Meeting

At our last meeting on April 20th we enjoyed an informative talk by Daniel Brunet of the Boys and Girls Club of Ottawa.

Only with the club for about a year, Daniel brought passion and enthusiasm to his speech. We learned that the organization started in 1936 as the Kiwanis Boys Club before changing to the Ottawa Boys club and then to the Ottawa Boys and Girls Club of Ottawa in 1967.

Daniel told us about the many programs run at the club; from homework clubs to cooking clubs, to sports clinics, to Camp Smitty. Daniel also brought some colourful and interesting display posters of the club's activities. Altogether a very interesting presentation.

This week

This week we will be inducting two more members into our club. Our Lieutenant Governor Germaine Barr will be on hand to do the honours for Glennys Ojaste and Elaine Cooke. Germaine will also be bringing lots of information to us from her weekend at the Key Club Convention in Montreal last month.

A very interesting meeting indeed coming up this Wednesday. Please come out and support our two new members. Also this will be our last meeting prior to Lobsterfest, so if you have any silent auctions items you have been holding on to, bring them along.

Parting Ponderings

Rejecting things because they are old-fashioned would rule out the sun and the moon – and a mother's love.

A mother's patience is like a tube of tooth-paste – it's never quite all gone.

Throughout the ages no nation has ever had a better friend than the mother who taught her children to pray.
