Last Meeting

At our last meeting on May 18 we heard from both Penny Mount and Faye Beaufort as to their experiences at the recent District convention in Collingwood. By all accounts a good time was had by all and we were well represented by these our delegates, along with Germaine Barr. We also managed to have an interclub since Germaine made it 3 of our members attending. Let's aim to fill a table next year.

We also had a time of discussion surrounding our recent Lobsterfest where, as at latest count, we raised approximately \$6500 to help fund the good work we do in the community and beyond. What is truly amazing is that the silent auction earned us approximately \$4000. Thanks to everyone involved in all aspects of this year's Lobsterfest. We're already booked for next May. Let's start talking it up now.

This week

Our guest speaker this Wednesday is Susan Scullion, Senior Policy Coordinator for ITK (Inuit Tapirit Kanatami). Susan will address challenges facing the Inuit people. The ITK organization is the national voice of 55,000 Inuit living in 53 communities across the North.

Parting Ponderings

The world is a great mirror. It reflects back to you what you are. If you are loving, if you are friendly, if you are helpful, the world will prove loving and friendly and helpful to you. The world is what you are.
