Thank Speaker:

Guest Speaker: Gary Coulombe, New Lieutenant Governor, Division 13

Last Meeting

Last meeting we had the pleasure of listening to Sylvia Smith, Teacher at the Elizabeth Wyn Wood Secondary School. Sylvia talked to us of the First Nations Residential Schools and some of the challenges that beset these institutions. One of the items brought out in her talk was the need for perhaps a new mind set stressing more emphasis in the spirit of the person as well as the mind and body; a more holistic approach to education.

There were a number of interesting questions posed to Sylvia. We would have liked to have had her stay with us longer, but unfortunately she had to leave in order to attend classes, so was not able to join us for our breakfast.

This week

This week's meeting is going to be special. We will have with us as our special guest, the new Lieutenant Governor for Division 13, Gary Coulombe. Gary, who took over from Germaine on October 1st, will be joining us to help induct our newest member, Kathy Fulford and to install our new slate of officers. Gary hails from the Manotick Club and this is not his first presentation to our club. Most of us will remember Gary's passionate talk on membership growth last year. We are looking forward to seeing and hearing from him again this week.

Also, not everyone has their tickets yet for the Yuk Yuk evening so please be sure to attend this important meeting. The comedy evening is less than 4 weeks away and we need everyone to help with tickets and sponsors if we are to again make this a

successful event and raise lots of money to fund our varied community activities.
Please make a special effort to be at the meeting.
