Recent and Upcoming Happenings

Happy New Year!!

After a rip roaring end to 2011, January 2012 so far has proved quite tame. As well, with our President and Secretary away, executive meetings are on hold until the end of the month. However we are gearing up for a busy late Winter and Spring with Aktion Club, In From the Cold, the Kiwanis Music Festival and Lobsterfest all on the horizon.

Last Meeting

Last meeting we again had the pleasure of having one of our own members address the club. Kathy Jones took over the speakers lectern to tell us more about herself and what brought her to be a part of this great organization. Kathy's talk was the second in hopefully a series, whereby we will hear from many of our members in order to get to know each other better.

This Week

This Wednesday morning we will be hosting Andrew Francis who is the Director General of Corporate Accounting and Materiel Management at Aboriginal Affairs and Northern Development Canada. Given that our club has in the recent past heard from a number of speakers relating to First Nations concerns, and our support of First Nations literacy in the North, Andrew's addressing us at this time will prove to be a welcome

opportunity to further our information in this area and to get some questions answered. Sharpen your pencils.
